## The Real Junk Food Project meets The Bevy Community Pub

On Tuesdays and Thursdays The Real Junk Food Project (RJFP) and The Bevy Community pub collaborate to serve fresh, home cooked community lunches

The RJFP provide the food and our chef turns it into an affordable feast for a suggested donation of **just £3!**

This is part of The Bevy Community Lunch offer available every weekday from **1pm -3.00pm**

The Real Junk Food Project work to 'Feed Bellies Not Bins'. They intercept surplus food which would otherwise go to waste and turn it into healthy, nutritious meals for the community at a number of venues across the city on a Pay As You Feel basis.
